## Store Listing

### App Title

**App Title (Max 50 characters):**

GunSports - PUBG Tournament Manager

### Short Description

**Short Description (Max 80 characters):**

Manage and join PUBG Mobile tournaments with ease

### Full Description

**Full Description (Max 4000 characters):**

GunSports is the ultimate PUBG Mobile tournament management platform designed for esports enthusiasts and organizers. It provides a user-friendly interface for creating and managing tournaments, handling registrations, and monitoring results. The app also features social integration, real-time updates, and a comprehensive admin dashboard.

#### KEY FEATURES:

- Tournament Management - Create and manage PUBG Mobile tournaments
- Registration System - Easy player registration and team management
- Developer Profiles - Showcase game developers and content creators
- Social Integration - Connect via YouTube, Instagram, Facebook, WhatsApp & more
- Real-time Updates - Stay updated with tournament schedules and results
- Admin Dashboard - Comprehensive control panel for organizers
- Map & Mode Selection - Custom game modes and map configurations

#### FOR PLAYERS:

- Browse upcoming tournaments
- Quick and easy registration

- Track your tournament history
- View developer profiles and content
- Connect with the gaming community

FOR ORGANIZERS:

- Full tournament creation and management
- Player registration oversight
- Custom game configurations
- Admin controls and moderation
- Real-time tournament updates

SOCIAL CONNECTIVITY:

- Follow your favorite developers
- Connect through multiple social platforms
- Stay engaged with the esports community

Whether you're a competitive PUBG Mobile player looking for tournaments or an organizer managing esports events, GunSports has you covered.

Download GunSports now and elevate your PUBG Mobile esports experience!

Note: This app requires an internet connection. PUBG Mobile is a trademark of KRAFTON, Inc.
